## 2026 Mother's Day Amish Quilt Fundraiser

As I sit here this evening listening to the sweet sound of rain falling, I can't help but feel a deep sense of gratitude and renewal. The rain brings life to our valley—recharging our lakes, ponds, rivers, and underground aquifers. It provides the fresh water so crucial for life here on earth, nurturing plant growth and contributing to the beautiful beginnings of spring...trees blooming, fields being planted, and flowers sprouting with new life.

With spring in mind—a season of growth, hope, and possibility—I am especially excited about the upcoming Mother's Day Quilt Fundraiser in May. This year, your participation carries an even deeper impact. **Proceeds from this fundraiser will support scholarships awarded directly to local students through our Foundation, including the Steve Pritt Memorial and Jack Francioni Memorial Scholarships.** The Soledad Community Healthcare District Foundation is pleased to announce this year's raffle items, highlighted by our **Amish-made quilt, "Grandmother's Flower Garden."** Amish quilts are admired for their detailed hand stitching and timeless design.

1. This year's quilt, "Grandmother's Flower Garden" (102" wide x 110" long), is a beautiful reminder of spring, family, and love. This cherished vintage pattern is rarely made today and offers comfort and warmth during difficult times.

*Donated by Jo Ann Moline & Diane Jansen*

2. The second item features a framed canvas print of our thirteenth mission, Mission Nuestra Señora de la Soledad—an important piece of California history and a beloved landmark in our community.

*Donated by Jo Ann Moline*

3. The family of Beverly Willitts graciously entrusted the Foundation with afghans she lovingly made. Beverly was a dedicated member of the Soledad community, serving on the Soledad Rotary and the Soledad-Mission Chamber of Commerce, and volunteering countless hours. Her afghan (52" x 52") represents a community woven together through care and compassion.

*Donated by the Willitts/Ambrosini family in her honor*

Thanks to our generous donors, we continue to make meaningful progress. We are proud to share that all beds at Eden Valley Care Center have been replaced with new, top-quality beds and mattresses, along with two new bariatric beds—an achievement made possible through your support.

Through outreach efforts, we have also provided blankets to members of our unhoused community. The Women's Health Center continues to grow, caring for mothers, families, and women through all stages of life, while our Medical Clinic remains a vital resource for our expanding community. Through your support, we are not only meeting today's needs—we are investing in the future. Your participation helps open doors for local students, empowering them to pursue education and give back to their community.

Tickets for these raffle items are now on sale. Physical tickets are included in this mailing. **Tickets are \$20 each, or five for \$90.** Many of our supporters choose a bundle to maximize their impact and help us expand our scholarship program.

If you would like to increase your impact, you may select additional tickets or make a direct donation using the enclosed RSVP card. Our team will complete and enter any additional tickets on your behalf.

**Please return your ticket stubs in the provided envelope by Friday, May 15th.** You may also use the QR code to donate online, and we will complete tickets on your behalf.

**The drawing will take place the following week, with winners announced on our social media and contacted shortly thereafter.** All donations are tax-deductible.

Your support in caring for our residents and investing in the future of our youth is sincerely appreciated. On behalf of the Foundation Board, thank you for your continued generosity and commitment to our community.

Sincerely,

Jo Ann Moline, President  
Board of Trustees:

Jo Ann Moline, Rosemary Guidotti, Pauline Tomasini, Martha Zarate, Maria Barajas & Elizabeth Ortiz
